VP Armstrong re
committee.

Review of the purpose and function of the committee; the charge of the committee to the President; the charge of the committee to the University's budget. A concerted effort to have a well-balanced committee with members from all areas of our campus. Add to the committee's membership later; if necessary, members have been recruited for their expertise. Minimum of 2 meetings per semester. We may need to add an additional meeting or a monthly meeting.
