WHEREAS, according to the AB-798, "Open educational resources" include, but are not limited to, full courses, course materials, modules, textbooks, faculty-created content, openly licensed texts, software, and any other tools, materials, or techniques used to support access to knowledge"; and

WHEREAS, open educational resources, such as open educational content, digital content, students, and individual institutions are encouraged to solve the problem of high cost textbooks, therefore, be it

RESOLVED, by the ASI Board of Directors, the duly elected student representatives of the

~~University of California, Berkeley, to support the following resolution:~~

~~1. The Board of Directors shall support the creation and distribution of open educational resources (OER) to reduce the cost of textbooks for students and to increase access to quality educational materials.~~

~~2. The Board of Directors shall support the creation and distribution of OER by faculty and staff, and shall encourage the use of OER in the classroom.~~

~~3. The Board of Directors shall support the creation and distribution of OER by faculty and staff, and shall encourage the use of OER in the classroom.~~
