

ASSOCIATED STUDENTS, CSUH

AD 1991 AS

RESOLUTION PROPOSING THE CURRENT PLAN TO REQUIRE STUDENTS TO

provide input in the decision making process of the University, and,

Whereas, The California State University Commission on Learning, Resources and Instructional Technology (CLRIT) has recently endorsed the goal that "all enrolled CSU students have uninterrupted twenty-four hour access to a personal computer," and that "all enrolled CSU students have twenty-four hour access to a network that will allow them access to the Internet," and;

Whereas, Only one student is allowed to sit on CLRIT and Academic Information Resource Council (AIRC), the cross-university committee that will likely discuss this proposal;

ces
most

Whereas, The concept that financial aid could be used to offset the cost of education, and

is not available for students to cover the current cost of education, and

of the Master Plan for Higher Education and decrease access to the University, for those who would benefit from the attainment of a high

economic background.

graduate student. It is a fundamental right of every citizen to have access to a high quality education.

Therefore, the Board requests that more resources be allocated to support the needs of low-income students.
