

College of Business and Economics
Center for Economic Education

Jane S. Lopus, PhD

FINANCIAL STATEMENT (2014-2015)

There were no funds received or dispersed through the University for the Center for Economic Education in 2014 – 2015. Programs and projects were supported through external funding. For local programs, major support was provided by the Bay Area Financial Education Foundation (BAFEF). An economic-education related PEIL grant was administered through Faculty Development. Other projects and activities were funded by the organizations listed in the program descriptions in this report including USAID and Financial Markets International, the University of South Florida, the American Institute for Economic Research, and the California Council for Economic Education.

ECONOMIC EDUCATION EVENTS, PROGRAMS, AND OTHER ACTIVITIES

Consultant to Council for Economic Education in New York for National Economics Challenge, a nationwide economics competition for high school students, 2015 – 2016. Activities include developing questions for regional and national competitions and serving as a judge at national competition.

Developed 16 videos and assessment activities for PEIL grant project “Mathematics for Economics” with Dr. Julie Glass, CSUEB Professor of Mathematics. The materials present the mathematics necessary to succeed in principles of economics classes. CSUEB students were involved in the project on a student advisory committee and as research assistants.

Secretary of the Board of Directors and founding board member of the Global Economic Education Alliance, a non-profit corporation dedicated to promoting economic and financial literacy worldwide. www.globaleconed.org
