

California State University System

This report provides data on the progress of A2S systems over a five year period from the baseline year, 2005-06 to 2009-10. Launched in Fall 2007, the systems in the A2S initiative have committed to increasing overall attainment while cutting access and success gaps in half by 2015. For more details, please refer to the Technical Appendix.

Full- and part-

Number of Campuses	23
---------------------------	-----------

Number of Undergraduates	383,801
---------------------------------	----------------
