

Academic Coach Agreement

Our coaching service is a powerful service for success. Coaching is a support service to help students develop stronger study habit skills to support their academic goals. The coach can help students understand assignments and break them down into

(this can be a GPA or grade goal like – ‘earn a 3.0 or get an A in English’. It could also be a task based goal like ‘turn in all my assignments on time’)

Some examples include: visiting my professor’s office hours, making use of tutoring, spending more time working in the lab, starting assignments earlier etc.

1) _____

2) _____

3) _____

Some examples include: support me in breaking down large assignments, help me set small deadlines before the due date, review my grades with me, review my assignments etc.
