

*It takes a while when we are speaking,
To find the words that we are seeking
It's called aphasia, but we keep going
This land was made for you and me*

*Now with aphasia, we may speak differently
Don't let it phase ya, we're smart and funny
We are supported, we stand united
This land's still great for you and me*

The choir looks forward to a yearly June concert to promote National Aphasia Awareness month. ^aThey take particular pride in knowing that they have been ~~one of~~ for other aphasia choirs emerging across the ~~country~~
