## REQUEST FOR LEAVE

Students enrolled in the Speech-Language Pathology Graduate Program must indicate to the program when a break in attendance is planned. If a student requests a break in attendance of more than two terms (not including the summer), a Planned Educational Leave Application form must also be filed with the University. More information on this policy is posted at <a href="https://www.csueastbay.edu/registrar/records/planned-educational-leave.html">https://www.csueastbay.edu/registrar/records/planned-educational-leave.html</a>
